## **DETAILED ACTION**

### ***Acknowledgments***

1. This office action is in response to the after-final amendment filed on 1/29/2008.
2. In the reply, the Applicant amended claims 12 to correct a typo and cancelled claims 13, 19, and 20.
3. Additionally, the Applicant filed two Terminal Disclaimers that have been APPROVED on 2/7/2008 thereby obviating the previous double patenting rejections.
4. Claims 13, 22-23 remain withdrawn.
5. Thus, claims 1-12, 14-17, 21 are pending for examination.

### **EXAMINER'S AMENDMENT**

6. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jill Denesvich (52,810) on 2/7/2008.

The application has been amended as follows:

Claims 18, 22-23 have been cancelled.

### **ALLOWANCE**

7. Claims 1-12, 14-17, 21 are allowed.

8. The following is an examiner's statement of reasons for allowance:
9. The subject matter of the independent claim could either not be found or was not suggested in the prior art of record. The prior art does not disclose or render obvious the combination as claimed specifically including a syringe for use with an injector, the injector having a syringe retaining mechanism including a flexible ring, the syringe having a body having at least one attachment member associated with the body cooperating with the flexible ring to releasably attach the syringe to the injector, and the syringe body having at least one release member operable to cause deformation of the flexible ring upon rotation of the syringe about its axis to release the syringe from the injector, and where in the at least one release member is position axially forward of the at least one attachment member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ANDREW M. GILBERT whose telephone number is (571)272-7216. The examiner can normally be reached on 8:30 am to 5:00 pm Monday through Friday.
